History of OMTA

Founded in 1879 - Incorporated in 1938

Affiliated with Music Teachers National Association

Since 1876, **Music Teachers National Association** (MTNA) has advanced music in the disciplines of pedagogy, performance, composition and scholarly research. MTNA was founded by Theodore Presser and sixty-two colleagues from Delaware, Ohio, and is America's oldest professional music association. Today, it is a not-for-profit organization of 22,000 independent and collegiate music professionals.

The **Ohio Music Teachers Association** was founded in 1879. OMTA's goals are to offer music students a variety of opportunities such as recitals, festivals, competitions, and master class experiences. For the professional music teacher, OMTA nurtures the development of teachers through district programs/ workshops, and state and national conferences. Our membership represents teachers on every instrument and voice.
